

# Naturally Nova Scotia Announces Sale of Organic Herbal Powders Sold in Bulk

February 13, 2009

(Lawrencetown, NS) – Naturally Nova Scotia (NNS), Canada's leading manufacturer and distributor of certified organic, whole food natural health products, is excited to be adding brand new products to their already extensive offering; certified organic dried herbs sold in bulk powders.

Naturally Nova Scotia's organic dried herbs are perfect for your own usage or for making herbal remedies and mixtures of your own. There are 5 varieties to choose from:

Each herb can each be purchased in 4 oz. or 1 lb. re-sealable bags.

Botanicals found in whole herbs co-exist with natural plant complexes, ensuring the stability and related bioavailability and activity of the various active ingredients. Our certified organic bulk herbs are an excellent source of potent, non-synthetic, bioavailable, herbal botanicals. The herbs contained in each Naturally Nova Scotia certified organic product are of the highest quality and are processed using cold or low temperature techniques to preserve the naturally inherent active ingredients.

NNS, founded in 1994 by Nancy Smithers, has since grown to include a 30,000 sq. foot manufacturing facility on a 250 acre organic farm employing more than 30 people. Organic is a growing and processing method that helps protect the health of people, plants, animals, and the environment. Organic products have been grown naturally, without using harmful hormones, antibiotics, steroids, chemical fertilizers, herbicides, fungicides, and pesticides. Organic farmers follow a holistic system that replenishes the nutrients and maintains the health of the soil by using renewable resources and conserving soil and water to sustain the environment for future generations.

Naturally Nova Scotia's facilities are site licensed by the Natural Health Products Directorate (NHPD) in Canada and are GMP (Good Manufacturing Practices) compliant. The company also manufactures other certified organic whole food products such as their Vitamin C Acerola line, and Vitamin D3.
